CLERK, U.S. DISTRICT COURT

Plaintiffs opposition to motion to dismiss

I request that u deny the defendants motion to dismiss due to substantial findings in the complaint. Theres alot of questionable similarities between the two works. The time frame, the way it got there attention. (as in asking for future to be on it) And alot of other factors that plays apart in the case. The lyrical theme, content, structure and rhythm is identical. It shows that their song was based off and created from my work.

I hereby certify that on 7/1/2022 a copy of the document titled Plaintiffs opposition to motion to dismiss was sent via email to defendants representatives Andrew Goldsmith @AGoldsmith@pryorcashman.com David Rose @DRose@pryorcashman.com and John Aron Carnahan @aron.Carnahan@huschblackwell.com
